Work Experience

Yog Education | WordPress Developer

Jun'20 - Present

- With 3+ Year experience, primary **responsibilities** at Yog Education Company include working closely with clients to understand their requirements and **design custom solutions** that meet their needs.
- **As** a WordPress developer, I am developing a deep understanding of the platform and the latest trends in web design.
- I have developed a deep understanding of the **latest trends** in web design, enabling me to create websites that are not only aesthetically pleasing but also optimised for performance and **user engagement**.
- During my time at Yog Education Company, I have **completed 35+ projects**.
- My experience and expertise would be a valuable addition to any team looking for a skilled and dedicated WordPress developer.
